

The following Terms are a legal agreement.  
Downloading and installing this application, the end user undertake all the Terms here expressed.

#### TERMINATION OF THE TERMS

At any moment HLF has the right/option to suspend the rights to the end user to access or use this application, at any matter.

The end user acknowledges the HLF's rights to suspend such service. The end user acknowledges that HLF has no responsibilities for the interruption/suspension of such service.

#### UPDATES

HLF aims to improve the application performances and functionalities through software updates. All Terms will apply to any future update.

#### LIMITATIONS

The end user accept to use the Application and all the services in accordance with the local laws and in order to avoid any illegal usage that can produce damages to HLF.

It is strictly prohibited to the end user to either duplicate or disclose any part of this Application.

#### COPYRIGHT

The Application, the names and Marks are property of HLF, except where specified. Any reproduction or copy without an explicit written permission from HLF itself will be considered illegal, and is therefore forbidden.

#### PRIVACY

This application does not collect any personal information related to the end user's personal data.

This application may collect some anonymous data through the Google Firebase Service.

Any data collected is anonymous, can't be used to trace the owner and will only be used in order to improve the Application.

HLF does not disclose any of the data collected to any third part.
